Discover Innovative, Affordable Ways to Save More and Earn More

**TOOLS FOR A BETTER LIFE™**

AGRICULTURAL INNOVATIONS

**COCOA BONGO**

**The Premium Tool for Premium Beans**

The Bongo makes it fast and easy to get premium beans. Stop wasting time picking through your piles removing bits of placenta. Separate your beans cleanly as you open the pod. Clean beans ferment better and dry faster, reducing quality problems and increasing weight.

Invest in the premium cocoa tool now for a lifetime of premium beans.

## SOLAR READY ACCESSORIES

### Do More with Solar

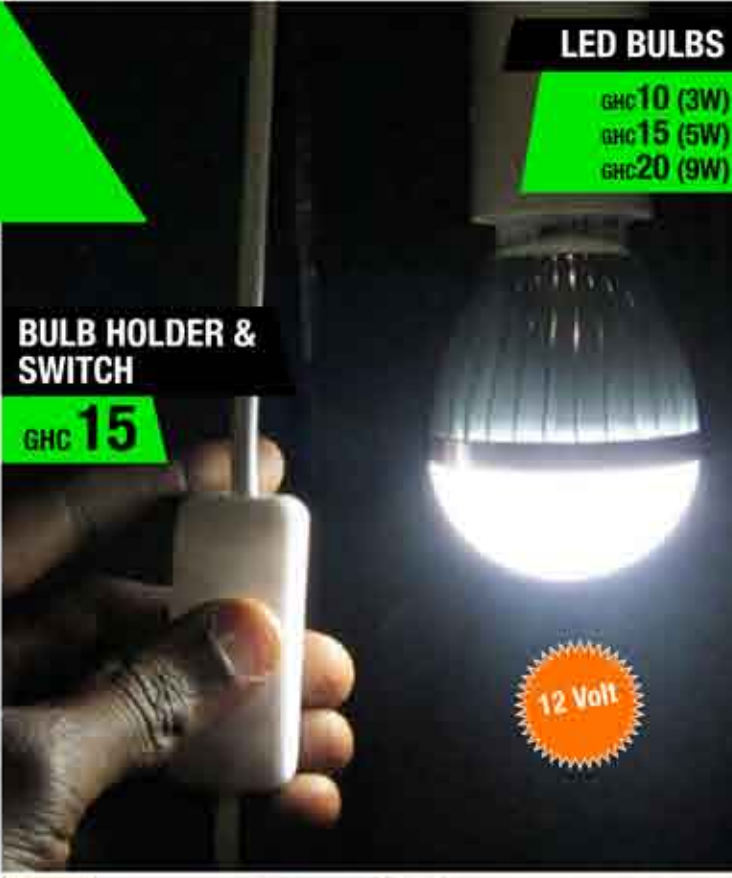

Burro has an expanding line of solar accessories ready to run off your Solar Power Center or Solar Genset.

Low-power, energy-efficient LED light technology provides hours of light for security, home, and business use.

Our Rechargeable Knapsack Sprayer charges from solar or mains and provides hours of spray time without the bother of hand pumping.

Burro's Rechargeable LED Torchlight is super bright, waterproof, and pocket-sized with a long-lasting battery. Built-in charging connector works directly from any USB port — no cable needed. Zoom feature changes light beam from wide coverage to long distance.

Let us know what you want to power with solar and we will be happy to give you technical advice free of charge.

## SOLAR

### Make Your Own Light — With Solar

Stop waiting for mains power. Burro solar systems empower you to tap into the sun's energy for light, phone charging, entertainment and more. Choose from personal solar lanterns, home systems for more options in more rooms, or gensets for portable mains power.

- LED bulbs including holders, long cables, and switches to light 3 rooms at once
- Charge 2 phones at a time with changeable tips
- Power large-screen TV's, tools, fans, precision instruments, and more with your Solar Genset's 300 watts of portable, clean, "pure sine wave" AC power
- Multiple 12V DC output ports power Burro's expanding line of solar-ready accessories
