Career Opportunities – Burro Internships

About Burro:

Burro® sells quality products that help our customers save more and earn more. From simple innovations like our home solar power systems to the world's most fuel-efficient coalpot, Burro products deliver better living affordably. Our collaborative, innovative, and dynamic team is making a real difference in the lives of real people across Ghana and beyond. You're welcome to join in the magic that Burro is creating.

Burro Internships:

Burro internships offer an opportunity to accelerate a project that is vital to Burro's overall mission and goals while experiencing a professional and cultural immersion; working with Ghanaians from all parts of society. Projects range based on the qualifications and background of the intern, but all provide the opportunity to implement classroom-based learning in a business setting, creating valuable teaching moments and preparing interns for their future careers.

- Web and mobile application development
 - Work with Burro's ICT and Systems manager to develop cutting-edge web and mobile-based systems that enhance Burro's ability to monitor operations and deliver best-in-class service.
- GIS
 - Work with Burro's ICT and Systems manager to develop Burro's nascent GIS capabilities
- Video production
 - Work with Burro's Creative Manager to write, film, edit, and produce videos that tell the story of Burro's brand and products.
- Photography
 - Work with Burro's Creative Manager to do both still and action photography of Burro products and people.
- Social media
 - Work with Burro's Marketing Department to develop content for social media that engages stakeholders and projects Burro's brand values.

Qualifications:

Individual projects each have specific qualifications, but Burro's general qualifications are as follows:

- At least two years' experience in a Bachelors Program.
- Demonstrated history of honesty, strong work ethic, self-motivation, and problem solving
- Excellent command of spoken and written English.
- Willing to relocate to Koforidua and beyond
- Passion for helping people Do More!

Support:

Housing and in-country transportation are provided. Interns are encouraged to look for additional sources of funding outside of Burro, and Burro will assist in that process however possible.

To Apply:

Send a short cover letter indicating your desired project and a one page CV to careers@burrobrand.biz no later than

4th March, 2017. Email should have the subject line: **Internship Opportunities**
